Sir,

Sub: Formation of collective Farming Co-operative Society and construction of Model village in Hosadurga Taluk, Chitradurga District.

Ref: D.O.letter No. AFD 9 FGN 61 dated 25-1-1961.

The area under forest in Chitradurga District is only 9.1% as against 20% prescribed under the National Forest Policy in respect of Maidan Districts. Government in their No.AFD 18 FGN 60 dated 11-4-60 have laid down the policy according to which no forest lands should not be released for cultivation except under special circumstances. Further, Government in their No AFD 362 FGL 59 dated 29-8-1960 have already ordered the disforestment of 100 acres of land in Devangudda forest for cultivation. In the interest of preserving at least the existing forest area which is already meagre and also as the available areas will be required for afforestation works by the Department the request of the applicant may be rejected.

The application is returned herewith.

I have received the enclosed letter from Shri Lepakshaswami who is the Jagadguru of Upaveera (Uppara) Community. He wants that his Community people who are fairly large in number in Hosadurga taluk are willing to take up co-operative farming in the area mentioned in the letter. I have also noted what I learnt from him marginally. I believe I had written a letter to your predecessor on the same subject. Will you kindly have this matter looked into and in view of the ~~matter~~ necessity of more production of food ~~necessity~~, allow these people to ~~xxxx~~ have this land provided they form a Joint Co-operative Farming Society. I would be grateful for an early reply.

A similar petition is given to me also. I have sent the same for a report

---

I write to state that in your letter No.8435/60 dated 15-11-60 it has been stated that my representation dated 5-11-1960 on the above subject had been forwarded to Government for doing the needful. I wish to bring to your kind notice that the action taken by Government in the matter has not been intimated so far. I therefore request you kindly to move Government to pass early orders in this behalf.

Though this is said to belong to forest area -50 years ago this was a thriving area with two villages. Just due to a good spirit was a "Mumi" - supernatural being that had come there I had cursed people left the villages & they became barbarak. About 1000 acres of once cultivated good land is available. There is no forest. There are no trees & even stumps. Govt. Survey Boards. So this land is to be given for cultivation. There are about 200 families without lands, who are willing to undertake joint cultivation. This deserves encouragement.
